FROM THE PASTOR

SENATE BILL 360

Recently, the California Senate passed a bill requiring Catholic priests to violate the seal of the confessional under certain circumstances. According to *The Washington Examiner*, "The bill, SB 360, was introduced by Democratic state Sen. Jerry Hill and passed the Senate on May 24 by a vote of 30-4, with four senators abstaining. The 10 Senate Republicans fractured on the measure with three voting in favor, three abstaining, and four voting against. One Democrat abstained, while the remaining 27 Democrats voted in favor."

Bishop Soto writes: "Tell your State Assembly member to vote 'no' on SB 360. The California state senate bill, SB 360, has been proposed as an aid to prevent [the abuse of children]. While this is an admirable aim, the bill misses the mark. Specifically, this bill attempts to do so by way of removing the legal protections surrounding the sacramental seal of confession, a legal protection which has been in place throughout the history of Church & State relations."

"There is nothing intrinsic to this bill which creates a greater assurance or guarantees that future abuse will not happen. Instead, it mounts an assault on the fundamental liberties of Catholics in the state of California under the guise of greater protection. For this reason, all Catholics, religious people of any affiliation, and indeed all people of good will, should vigorously oppose SB 360."

SB 360 still remains to be passed in the California Assembly. Please consider contacting your local legislator to voice your stance on this perilous law. More information, including ways to contact the appropriate office, can be found here: www.scd.org/keeptheseal.
