FROM THE PASTOR

NEW PASCHAL CANDLESTAND

Recently, we were able to acquire a new paschal candlestick from a company in New York. The new candlestick is slightly taller than the old one, and matches the Baroque style of our altar candlesticks, although it is more ornate. It came with a 2.5" socket for the candle, which is the same as what we have currently, but we also acquired a 3" socket, so that we can use a slightly larger candle next year. I hope to have the candlestick available for viewing this Sunday, June 23. I do ask, however, that people refrain from touching it, to keep the brass from oxidizing and pitting. God bless!
