### VESTMENTS

*New green and violet Low Mass sets, and a reversible stole*

*A close-up of the reversible stole*

Many thanks to the benefactors, who helped obtain new green and violet Low Mass sets, as well as a reversible white & violet stole which will be used for baptisms at the parish. The vestments were made by Emily Uhl of Altarworthy; she is a FSSP parishioner in Seattle. We have white and red sets still pending with her, that should be arriving over the next few months.

The green set will be used this Sunday; you will be able to see the violet set once Septuagesima arrives!

### ARTICLE ON OUR SEMINARY

The *Liturgical Arts Journal* recently published an article on the North American seminary of the Fraternity of Saint Peter. It includes a lot of points on the history of the Fraternity and the construction and architecture of the seminary that may be of interest to parishioners. The full article is available online:
